Dear Prospective Presenter,

Thank you for your interest in presenting at the Second Annual Southwest Fit Fest 2017! By presenting you are choosing to set the stage for an energizing and educational conference. We are excited to offer a variety of talent to the schedule and welcome you to apply to present for as many sessions as you would like. Your skills and talents may be exactly what we are needing to complete our schedule of presentations!

All session offerings will be 50 minutes in length, with the expectation that at least 10 minutes of each session is lecture/discussion. Practical movement and/or a full class workout would complete the remaining time. Feel free to vary this breakdown as necessary. Lecture topics are also welcome! No movement is necessary for these presentations; however, if you would like access to fitness equipment please note this when applying. All lecture spaces will be fully equipped with audio/visual and classroom seating.

Selection for both the educational and workout sessions will be based on variety and strength of proposals. All educational sessions will be submitted to ACE and/or AFAA for continuing education credits. For this reason, it is important that your application is as complete as possible.

Please complete the Presentation Proposal Application form located on the right side-bar of the following page: http://nau.edu/Campus-Recreation/Fitness-and-Wellness/SouthWest-Fit-Fest/

All application materials must be submitted by Sunday, February 26, 2017.

Applications will also be accepted via fax or mail:
Jamie Flood: Fitness & Wellness Program Coordinator, Northern Arizona University
